Dear Richard:

Pursuant to your request, we are returning the above-referenced patent matters to you.
We have enclosed a master docket summary for your convenience. The master docket summary

may contain errors, as with all reports of this type. Thus, you should independently establish your records and verify their accuracy.

Also enclosed are your patent files from Baker & Botts, L.L.P. as well as miscellaneous working files.

Under cover of separate letter, we will send copies of a Request for Withdrawal as Attorney with the United States Patent and Trademark Office for each of the above-referenced patents.

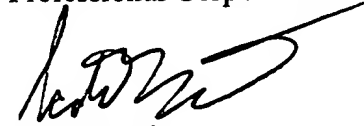

Given our withdrawal, it is essential that you immediately begin to arrange to hire new patent counsel. If you select new counsel, we will, of course, work with your new counsel to make the transition as smooth as possible.

If American Innovations Inc. does not obtain counsel, then American Innovations Inc. will be its own attorney in the above matters. Since only pro se inventors and registered patent attorneys and patent agents are permitted to practice before the United States Patent and Trademark Office, there may be limitations on American Innovations Inc.'s ability to prosecute the above matters. Our representation will cease, whether or not American Innovations Inc. obtains new counsel.

Please return a signed copy of this letter to acknowledge the receipt of the files. Should you have any questions or concerns, please contact me at 338-5409.

Sincerely,

WILSON SONSINI GOODRICH & ROSATI
